

## Guardian Angel Program

The Guardian Angel Program offers grateful patients and their families a meaningful way to show their appreciation to a physician, nurse, staff member or volunteer who made a difference during their hospital visit.

Jennifer Czyz was recently nominated by Robert Graham as a Guardian Angel for the exceptional care she gave to his wife, Connie St. Jean, before her passing.

**A very special thank you to all of our  
Guardian Angels for their dedication  
and commitment to improving patient care at  
Pembroke Regional Hospital.
